**Inventors: Gelfer, Hetzer, Dr. Keunecke, Schlaaff**  
**Docket No.: P01,0236**  
**Our Ref.: 3179-US**

Dear Mr. Gelfer,

For the above patent application we send you a copy of the application -specification, claims, drawings- together with the Declaration and Assignment and ask you, to sign to our office or to the office of our patent attorney Schiff Hardin & Waite, 6800 Sears Tower, Chicago, Illinois 60606-6473/USA until:

September 16, 2002.

The Assignment should sign in the presence of a notary.

In the sake of good order we inform you that this letter is a „final“ letter we will send to you and if we receive the signed Declaration and Assignment not until September 16, 2002 than Francotyp-Postalia will interpret this as a refusal on the part of you to sign the Declaration.

We hope that we or Schiff Hardin & Waite still receive the signed documents and remain

yours faithfully,

**FRANCOTYP-POSTALIA AG & CO.KG**
